sales@kenco.com www.Kenco.com

The Kenco Pipe Lift is the safest, most cost-effective way to move concrete, metal or plastic pipe.

- No additional hydraulics are required

- Narrow profile eases removal of pipe from tight trenches

- FULLY AUTOMATIC ACTUATOR for hands-free operation

- UNIQUE WIDE SCISSOR-GRIP enables stable lift, even when pipe is gripped off-center.

Rubber lined grip surfaces are not standard but can be added
