170 STATE ROUTE 271 - LIGONIER, PA 15658

TOLL FREE 1-800-653-6069

sales@kenco.com www.Kenco.com

The Kenco RockLift is the safest and easiest way to move irregular shaped objects like rock or debris.

● **FULLY AUTOMATIC ACTUATOR**
for hands-free operation.

● **GRAB FROM THREE SIDES**
The heavier the object,
the tighter the grip.

Easily grab irregular shapes
like natural rock or debris.
